

CHECKLIST FOR

New Manuscript Submission

PLEASE CHECK WHETHER YOU HAVE COMPLETED BELOW LIST.

- I used a professional proofing service to proof the manuscript grammatical errors.
- I have defined the article title aligned with the introduction and conclusion.
- I have prepared the abstract to reflect all the important points of the study in 250 words.
- My entire article has prepared like IMRaD Approach, or editor and reviewers could understand my scientific approach easily.
- I have already printed out the copyright form and I agree with all carefully read and understood items.
- I have formatted the manuscript with the IJAST template.
- I have double checked the manuscript for free from commercialism.
- I cleared all author related information from the manuscript. I will provide that information after the manuscript approval message.
- I have followed the Author Guidelines document and ensured the competency of the document.
- My document does not exceed the word limits of research or review papers.
